Perfectly sized

The Mendota FV32i fireplace insert may be compact, but it provides 30% more viewing area than comparably sized inserts. It features a tapered back and small flue vents to fit in tighter spaces. New magnetic fronts provide a flush, streamlined appearance. **Plus, with a 78% efficiency rating, it is among the most efficient of all gas fireplace inserts.**

Connect with nature

Timberline Series inserts feature big, natural logs. But they also come with a lower heat output. Their white oak, birch or driftwood logs are equally at home in your living room as they would be on a forest floor or sandy beach.
